## 2022 SUNFLOWER CHARDONNAY

*This exquisite wine is crafted from grapes grown on a unique single vineyard. As our special reserve Chardonnay, it offers a delicate touch of oak, imparting luxurious vanilla and caramel notes. The palate is further enriched with crisp hints of apple and pear, perfectly balanced by a bright, lively acidity. This harmonious blend makes it an exceptional companion for lobster dishes and vibrant, tangy salads. A truly remarkable wine, elegant and complex.*

### WINE PROFILE

Wine Maker Notes:  
“Sunflower Chardonnay is fermented in stainless steel tanks with French oak staves. Goal is to add caramel toasty notes while keeping the wine fresh. The wine is then blended with a small portion of barrel fermented Chardonnay that has completed malolactic fermentation to add a little richness and creamy texture.” – Erik Bilka
